Paper Cutting: Spring

Fold the page in half on the dashed line (picture outside). Cut away the white parts through both layers. Unfold!

The character is "chun".
It means spring.

1. **Fold the page in half on the dashed line.**
   Keep the picture on the outside.
2. **Cut away every white part.**
   Cut through both layers.
3. **Keep the grey part. Do not cut the fold**
   where grey touches the dashed line.
4. **Unfold the paper.**
5. **Glue it on a window or a card.**

Every cut starts from the fold
or from the edge of the paper.
